

Christmas Climate Quiz

Warwickshire Climate Alliance are running an online Christmas Climate Quiz via Zoom, from 7:00 to 9:00 pm on Thursday December 16th.

In the first hour there will be four rounds of questions, each with a different quizmaster, and then in the second hour the tables are turned and the public can put questions to the quizmasters, on their views, policies and concerns.

The quizmasters are

Ed Green, CEO of Warwickshire Wildlife Trust,
Steve Smith, Director for Climate Action for Warwickshire County Council (WCC)
Heather Timms, Councillor in charge of Climate Environment and Culture for WCC
Matt Western, MP for Warwick and Leamington

Entry is free, and there are climate friendly prizes, including a year's free membership of Warwickshire Wildlife Trust. To take part, please register on Eventbrite via the link

or search on Eventbrite for Big Christmas Climate Quiz.

The aims of the quiz are to have fun, to share knowledge about climate-related issues, to raise awareness of what is being done locally, and what needs to be done, and to give the public access to policymakers and council officers.
